Green Punch[®] is a registered trademark of Solutions 4Earth, LLC. All rights reserved.

Net Contents: 2.5 gal. / 9.5 L
Net Weight: 27 lbs. / 12.2 kg

MIX WELL BEFORE USING

Iron encourages quick greening in turfgrass, however, it is often a limiting factor when growing fine turfgrass. Green Punch contains iron in an acidic presentation.

Directions For Use: On a routine basis, dilute and apply Green Punch at three to six fluid ounces in a total of one to two gallons of water per 1,000 square feet area. Up to nine fluid ounces per 1,000 square feet may be necessary for problematic areas or special situations such as high pH soils, poor water quality or additional greening during “grow-in” operations.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rains are expected. Apply this product only to your lawn/garden.

Mixing & Compatibility Guidelines: Diluting Green Punch with water reduces the solution pH, making it compatible with most pesticides and fertilizers. Tank mixes with Green Punch should not be attempted without adequate agitation. Mix Green Punch with water and agitate before adding or tank mixing additional ingredients. Do not mix Green Punch with high pH herbicides without first performing a jar test. As with any mixing operation, compatibility tests are highly recommended prior to preparing a spray mixture of Green Punch with other products.

Danger.
Harmful if swallowed.
Causes severe skin burns and eye damage.

PRECAUTIONARY STATEMENTS

Prevention

- Wash face, hands and any exposed skin thoroughly after handling.
- Do not eat, drink or smoke when using this product.
- Wear protective gloves and clothing, as well as eye/face protection.
- Do not breathe dust/fume/gas/mist/vapors/spray.
- Do not handle until all safety precautions have been read and understood.

General Advice

- Immediately call a poison control center or doctor.
- See below for specific treatment.

Eyes

- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Skin

- IF ON SKIN (or hair): Immediately remove all contaminated clothing. Rinse skin with water/shower.
- Wash contaminated clothing before reuse.

Inhalation

- IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Ingestion

- IF SWALLOWED: Call a poison control center or doctor if you feel unwell.
- Rinse mouth.
- Do NOT induce vomiting.

Storage and Disposal

- Store locked up in original, labeled container and keep sealed.
- Do not store in direct sunlight for extended periods or allow to freeze.
- Dispose of contents/container to an approved waste disposal facility.

Emergency Contact Telephone Numbers

- 24 hours within USA / Canada: Chemtrec 1-800-424-9300
